

Merit Badge Make-up Day
Saturday, 4 August, 2018, Beaumont Scout Reservation
9:00 a.m. until 12:00 p.m.

Our *St. Louis Eagle Scout Association* will once again sponsor **Merit Badge Make-Up Day** for those Scouts needing assistance in completing the remaining requirements for merit badges they began at summer camp.

Merit badge counselors representing every merit badge offered at regular summer camp (not specialty camps, including Eagle camp) will be on hand to assist your Scouts. This is a great opportunity for your Scouts to complete their partial merit badges. Registration is not required; however, please be on time and the **Scout must be in complete uniform (shirt, shorts, socks)**.

Scouts in uniform should bring the following:

- ✓ Partial merit badge cards received at summer camp
- ✓ All written work and projects for those badges

Special Points of Concern:

- ✓ **Equipment for archery, rifle and shotgun shooting will be provided.**
- ✓ **Due to the facilities, merit badge work for fishing, fly fishing, rowing, canoeing, kayaking, motor boating, small boat sailing, water sports will be limited to oral and written requirements only.**
- ✓ **Merit Badges requiring the demonstration of proficiency (aquatics, archery, climbing, rifle, shotgun, etc.) require a considerable amount of time. Report directly to these program areas no later than 9:30 a.m.**
- ✓ **Merit Badge Counselors will assist Scouts in completing as many requirements as possible. It is important to note that Scouts needing more than three requirements may not be able to complete the merit badge at this event. All Scouts need to be prepared to meet all of the requirements needed to complete the merit badge.**
- ✓ **Merit Badges that are offered at traditional S-F Summer Camp are the only ones we plan to have counselors available to assist with completions. STEM, NOVA, Eagle Camp, etc. and merit badges not offered at S-F traditional Summer Camps will not be available.**
- ✓ **There will be no reviews for Horsemanship MB in 2018.**
- ✓ **There is no pre-registration. Report directly to your subject area.**

If you have questions please contact ESA Merit Badge Make-Up Day chairman at:
